### NOTES:

- Trash bags are not dry bags. You must have real dry bags that seal and are somewhat rugged. Outdoor Products, Sea-to-Summit, etc.
- Clothes, personal items, and sleeping gear should be packed in plastic bags (trash bags or giant ziplock bags) and put inside your large dry bag
- Tents should be put in a dry bag or plastic bag.
- Frequently accessed items should be put in a small dry bag or dry box.
- Personal cooking and eating utensils should be kept in a bag separate from other items.
- Food will be kept in dry bags.
- Do not wear or bring cotton or denim clothes.
- Do not bring any electronic devices except camera or GPS.
